PARTIAL RETURNS FROM ODD FELLOWS BRING \$500 FOR DICKSON ORPHANAGE. PRESIDENT DICKSON VERY GRATEFUL.

Please permit me to say through the columns of your paper, that the Grand Jurisdiction of Odd Fellows through Professor J. P. Starks, the District Grand Secretary, just handed me a check for \$500.00 as partial payment of the amount of money sent in from the Grand Jurisdiction of the Grand Order of Odd Fellows and the House Hold of Ruth of the State. We have no language to express our gratitude to the Odd Fellows and the House Hold of Ruth for the splendid showing in sending to the District Grand Secretary their contribution for the Dickson Colored Orphanage of Glimmer. You will remember that last year the Odd Fellows and the House Hold of Ruth adopted this institution and placed all orphan children from the Grand Jurisdiction of the Odd Fellows in this home. It is a wonderful effort. The Negroes of this State should get in line and push the churches and institutions that are supporting orphan children and help in this great move.

The K. of P. of Texas through the Board of Directors and their Grand

Chancellor, W. S. Willis, also gave \$500.00 and express a fond desire of doing more.
Prof. Starks informs me that only one-fourth of the Odd Fellows and House Hold of Ruth bodies have reported and that reports are coming every day and he believes the collection throughout the State will amount to \$1500.00 by the 31st of July. We take this method of thanking the Grand officers for their kindness. The District Grand House Hold of Ruth, and also Prof. J. P. Starks for his splendid effort in the first payment. It came in due time and it helped us to pay \$5,000.00 on a \$5000.00 note that was owed at the American Exchange National Bank. Our enrollment is 250 inmates. We will let you hear from us from time to time through the papers as these collections come in.

Very respectfully,
W. L. DICKSON
Pres. Gen. Mgr. of the Dickson Colored Orphanage.
